

Bridgewater Congregational Church, United Church of Christ
10 Clapboard Road | P.O. Box 7 | Bridgewater, CT 06752
Church: 860-354-8283 | www.bwuucc.org | office.bwuucc@gmail.com
Reverend Abby Gackenheimer | revabbybwucc@gmail.com

Dear Neighbor:

We have always been there for each other. Always.

When the town needed a home for its Food Pantry we provided the space in our Friendship Hall and continue to manage it today.

We make the Hall available for civic meetings like EMT training and special event get-togethers.

When we needed repairs on our steeple some years back, Bridgewater residents helped us financially with that project.

Now the church is embarking on a very special project. We are going green. Starting in May we will be outfitting the back-portion roof of the Friendship Hall with solar panels. You may not see them but they will furnish enough energy for, light, air conditioning and all our power needs for the Hall and the church.

The savings will be huge but the initial expense will be substantial. If you would like to be part of this green initiative, we sure could use your assistance.

Any contribution you might offer is totally tax deductible. Donations can be made via check or <http://bwucc.breezechems.com/give/online>

Also, if you have specific questions, we are more than happy to answer them.

Thank you for considering this request.

Blessings to you and bless the town of Bridgewater.
